European Federation  
of Animal Science

## The 1<sup>st</sup> EAAP Regional Meeting

We invite you to the 1<sup>st</sup> Central-Eastern European  
EAAP Regional Meeting!

**26<sup>th</sup> - 28<sup>th</sup> April 2023, Nitra, Slovakia**

The EAAP regional meeting aims to highlight key animal science discoveries and novel approaches, related to specific regional topics, which could be directly or potentially applied to management and practice. The meeting will be held on **26<sup>th</sup>- 28<sup>th</sup> April 2023** at the Slovakian University of Agriculture in **Nitra** (Slovak Republic).

The meeting will have interesting animal science sessions including one plenary session. Abstracts submissions for both theatre and poster sessions will be organized and the calendar information delivered to participants through EAAP channels.

For more information and registration/abstract  
submission check our conference website:
